

Parent Testimonial

Dinithi Wickramanayake - Discovery Mind Play Centre & Kindergarten Tung Chung

Highly Recommended the Early Learning Experience at DMK School!

From the moment we enrolled our daughter at DMK School, we were impressed by the level of care and dedication shown by the entire staff. The school's commitment to creating a nurturing and safe environment for children is truly commendable. They have gone above and beyond to ensure that every child feels comfortable, secure, and happy within their learning environment.

DMK has an outstanding approach to early learning, tailored specifically to the needs of young children. Their curriculum is thoughtfully designed to stimulate cognitive, social, and emotional development. The teachers at DMK are passionate about their profession and utilize a variety of engaging and interactive teaching methods that make learning enjoyable and effective.

DMK's remarkable ability to establish a routine for the children, providing a structured yet flexible schedule that promotes a sense of stability that helps the children thrive are some of the reasons why we decided to stay on with programme for her upcoming K1 journey. It is truly amazing to witness how quickly my daughter has adapted to this routine and how it has positively influenced her overall development.

Furthermore, the staff at DMK School fosters a strong sense of community and collaboration. They actively involve parents in their child's learning journey and encourage open communication. The regular updates and progress reports have been invaluable in understanding my daughter's growth and development.

A BIG Thank you to my daughters teachers, Mr. Steven, Ms. Ry , Ms. Teresa and Ms. Kabeeta (Principal) , for providing such a hands-on early learning experience. We are forever grateful for the wonderful memories and the strong foundation you have built for her future. ””
